At a cost of \$7, you couldn't have beat the good food, good conversations, and good info. Great speakers for the night included Jesicka Wilkinson, Kendal Kay, John Humphry, and Terrie Luckie.

Jesicka updated us on the events surrounding the window unveiling on Nov 30th. Look above for the flyer.

Kendal explained the vote coming up.

Terrie, with a little help from John, explained the tax credit available through the Ashland 2020 project. She also updated us on the successful ongoing process of beautifying Ashland through there grant. More info on this under the Ashland 2020 Tab on this website.

Any questions can be answered fully and in detail by any of our guest speakers.

The Chamber would like some feedback. Please send your comments using this form. Any ideas for the upcoming year will be discussed at the board organizational meeting on December 6th. *Thank You*
